A LETTER FROM THE ATLANTA DT HUMAN RESOURCES TEAM

As we start to re-establish our culture and regain our balance in this new normal, ever-changing environment. It is essential that we find our way back to the fundamentals. A team, an organization where we come together to celebrate life. For me this vision of properties coming together to celebrate one another, while getting to know team members from our sister properties, was born when I was tasked with managing 3 properties, now formally known as "The Coalition". Not only did it make things a little more manageable for me (Kanesha Arthur), but it created a fun and exciting feel for our teams. The Idea of Field Day, came as myself and Indigo's Be Inspiring President (Sharon Jones) and Vice President (Cornellius Smith) spoke about doing something different. All I knew was that I wanted an outdoor event, preferably in the park. This started out as a vision for The Coalition to compete and after sharing the idea with my HR Counterparts, they were all in. I started to work quickly with Belinda and Darlene, have secret planning meeting into our days. And firming up the ideas and plans in Be Inspiring and CARE Committee Meetings. The idea continued to magnify when I informed our VP, Frank Phair, of the vision, officially creating The Legacy Georgia Cup, Field Day 2022! We look forward to this becoming a

lasting Legacy tradition. Days later, the teams are still raving and reminiscing over the wins and losses and are making plans for victory in 2023.

As we continue to live out our culture, I am confident that we will come together more often to create lasting memories with our work families. We are so very proud to be a part of a company that not only supports the vision, but wholeheartedly participates. We are so excited for what the future holds for each of us and each of you here at Legacy Ventures. Hold on tight, this is going to be an exciting ride!

There is nothing we do alone and this is the BEST team in Downtown Atlanta! Thank you to everyone who made this event a success!

Yours Truly,

Kanesha Arthur, Belinda Adjei-Boateng and Darlene Samuel
